Problem Statement Title-

Team Name-

College Name-

IDEA TITLE

Proposed Solution: Concept, Implementation & Innovation

- Comprehensive description of the proposed idea, solution, or prototype
- Explanation of how it effectively resolves the identified problem
- Highlights of its innovation, uniqueness, and potential impact

TECHNICAL APPROACH

Technology Stack & Implementation Process

- ***Technologies Utilized:*** Programming languages, frameworks, and hardware components
- ***Implementation Approach:*** Step-by-step methodology, including flowcharts, images, and working prototypes

SUBMISSION REQUIREMENTS

- ***GitHub Repository (Public)*** – Mandatory; even if the project is ongoing or hasn't started yet, submit the GitHub repository URL. This repository will be considered final throughout the evaluation.
- ***Deployed Link (if available)***
- ***YouTube Demo (if available)***

FEASIBILITY AND VIABILITY

Feasibility Assessment & Risk Mitigation

- ***Evaluating the Idea's Viability:*** Analyzing practicality and implementation potential
- ***Identifying Challenges & Risks:*** Recognizing possible obstacles and limitations
- ***Strategic Solutions:*** Approaches to overcome challenges effectively

IMPACT AND BENEFITS

- ***Effect on the Target Audience:*** Influence and significance for end users
- ***Key Advantages:*** Social, economic, environmental, and other benefits

RESEARCH AND REFERENCES

- **Detailed Information:** Cited references and supporting research
- **Relevant Links:** Sources for further exploration

Checklist for Idea PPT Submission

Please ensure the following points are met before submitting your presentation:

- *Content Format:* Use bullet points, diagrams, infographics, or images.
- *Clarity & Precision:* Keep explanations concise and easy to understand.
- *Originality:* Ensure the idea is unique and innovative.
- *Template Usage:* Use the provided template without altering predefined idea details.

- *Submission Format:* Save the file as a PDF and upload it to the portal.

Note: You may delete this slide before submitting your idea.
